

# Scheme of Community Development through Polytechnics

India is a vast country with 70 % of its population lives in about six lac villages. Most of the India's population depends on farming. With the intention to impart technical knowledge and to create opportunity of employment and self employment the Ministry of Human Resource Development, Govt. of India decided to implement the scheme of community development scheme through polytechnics.

Govt. Polytechnic Yavatmal is implementing the scheme of community development from Sept. 2009. Through this scheme youth, women, school dropouts and SCs/STs, OBCs, minorities, physically disabled, economically weaker sections of the society and other under-privileged persons are helped for their upliftment of lives.

## OBJECTIVES OF THE SCHEME

The main objectives of the scheme are:

- 1) To Carry out Need Assessment Surveys to assess the technology and training needs;
- 2) To Impart Skill Development Training to the intended target groups;
- 3) To disseminate Appropriate Technologies for productivity enhancement;
- 4) To provide Technical and Support Services to rural masses and slums dwellers;
- 5) To create Awareness among the target groups about technological advancement and contemporary issues of importance.
